

**You can do it.
We can help.™**

ATTENTION FOOTBALL PLAYERS

Thank your high school or community coach and win equipment for their program, courtesy of the NFL & The Home Depot Canada

As a Canadian Interuniversity Sport football player, you know better than anyone how important a dedicated coach is to an athlete's development – both on and off the field.

If a football coach from your high school or community has had a positive impact on you, and on the game of football in your hometown, we are hoping you will nominate that coach for The Home Depot NFL Youth Coach of the Year award.

We are looking for a paragraph or two explaining how important this coach was to you. Examples of how your former coach motivates players, makes the game more enjoyable, makes all team members feel valuable and shares a passion for the game is what we are looking for. Prizes will be awarded to the top ten selected coaches. **Prizes include:**

- \$5,000 in football equipment for the winning coach's program
- A \$1,000 The Home Depot gift card (for 'football program renovation' projects, such as field repair, fixing bleachers, painting a locker room, etc.)
– also includes project assistance from local The Home Depot Associates through Team Depot
- A trip to the 2008 Desjardins Vanier Cup in Hamilton where the winning coach will be honoured at the annual CIS coaches breakfast
- \$2,000 in football equipment and a gift card from The Home Depot for a value of \$500 for each of the two runners up
- Gift cards from The Home Depot for a value of \$100 for each shortlisted (top-ten) coach

Only current CIS players can nominate coaches for this award.

Please take a moment to nominate your former coach.

Your hometown communities, your current team and the young players hoping to follow in your footsteps will thank you.

Nominations are easy to submit at www.NFLCanada.com

(the nomination form is available in the 'Programs' section of the site).

They can also be faxed to 416-603-9890 or e-mailed to bfindlay@gotoguys.net.

The deadline for submissions is Monday, November 3, 2008
